

Scientific Publications:

1. Papers Presented at International Scientific Meetings and Published in Proceeding Book.

1.1.) 8th International Drug Chemistry Conference Kurt, H., Menges, N., Kuzu, B., Gül, S., Tan, M. (2020). An Investigation For New Topical Antiseptic Solution with Unknown Agents. Short Oral Presentation and Poster presentation. 27 February-01 March Mirage Park Resort Hotel in Kemer, Antalya. Turkey

1.2.) International Congress of Stem and Educational Sciences Çetin, A., Kurt, H., Notici, İ. (2018). Synthesis of Some Pyrazole Derivatives and Investigation of Antibacterial Effects. Oral presentation. May 3 to 5, Mus / Turkey.

1.3.) International Medical, Aromatic and Dye Plants Symposium Reyhan. Kurt, H., Bozari, S., Çakmak, B., Çetin, A. (2017). Determination of Biological Activity of Components Obtained from *Senecio vernalis* Species. Poster. 5 to 7 October İnönü University Turgut Ozal Congress and Culture Center Malatya / Turkey

1.4.) International Medical, Aromatic and Dye Plants Symposium Reyhan. Lighter, B., Bozari, S., Kurt, H., Çetin, A. (2017). Obtained from *Ocimum basilicum* L. Species Determination of Phytotoxic Effects of Essential Oils. Oral presentation. (5-7 October İnönü University Turgut Ozal Congress and Culture Center Malatya / Turkey.

1.5.) International Regional Development Conference. Kurt, H., Bozari, S., Çetin, A., Çakmak, B. (2017). Antibiotic of Natural Component from *Senecio vernalis* Species Determination of Activity. Oral presentation. (21-23 September Munzur University Tunceli / Turkey.

1.6.) International Regional Development Conference. Çakmak, B., Bozari, S., Kurt, H., Çetin, A. (2017). Determination of the Effects of *Ocimum basilicum* L. Essential Oil Components on Germination of *Amaranthus retroflexus* L. Seeds. Oral presentation. (September 21 to 23 Munzur University of Tunceli / Turkey.

1.7.) International Regional Development Conference. Kürşat, M., Toptemir, S., Çakmak, B., Kurt, H., Bozari, S. (2017). Determination of Genetic Similarities of Rapid-Pcr Technique of Some Natural *Nepeta* Taxa in Bitlis. Oral presentation. (September 21 to 23 Munzur University of Tunceli / Turkey.

1.8.) International Regional Development Conference. Kürşat, M., Toptemir, S., Çakmak, B., Kurt, H., Bozari, S. (2017). Determination of Genetic Similarities of Some *Lamium* Taxa Growing in Bitlis Province by Rapid-Pcr Technique. Poster. (September 21 to 23 Munzur University of Tunceli / Turkey.

1.9.) VI International Plant Protection Congress of Turkey Participation. Bozarı, S., Kurt, H., Çakmak, B. (2016). Determination of Biological Activities of Essential Oils Obtained from *Melissa officinalis* on *Amaranthus retroflexus* Seeds. Oral Presentation. (5-8 September Konya / Turkey).

1.10.) VI International Plant Protection Congress of Turkey Participation. Bozarı, S., Çakmak, B., Kurt, H. (2016). Effects of Synthetic Herbicide Imazamethabenz-methyl on Germination *Hordeum vulgare* L. Seeds. Oral presentation. (5 to 8 September in Konya / Turkey. In this study, Muş Alparslan University Scientific Coordinator of the project is supported by the No. MŞÜ14-EMF-G04.

2. Articles Published in National Refereed Journals:

2.1.) Çetin, A., Kurt, H. (2020). Synthesis, Antibacterial Activity and Molecular Docking Studies of New Pyrazole Derivatives. *Letters in Drug Design & Discovery*. DOI: 10.2174 / 1570180816666190905155510.

2.2.) Çetin, A., Kurt, H., Bozarı, S. (2019). Synthesis and Characterization of the Novel Thiophene Derivatives, *Iğdır Institute of Science* 9 (1): 111-120.

2.3.) Kurt, H., Cetin, A., Bozarı, S., (2018). Antimicrobial Investigation and Synthesis of Novel 1H-Pyrazole-4- (5H) -yl Diazene Derivatives, *Iğdır Institute of Science and Technology*. 8 (2): 223-229.

2.4.) Bozarı, S., Çakmak, B., Kurt, H. (2017). Genotoxic Effects of Essential Oils of *Satureja hortensis* on *Hordeum vulgare* L. Seeds. *KSU Doğa Bil. Bull.* 20 (3), 185-192, 2017 Research Article.

2.5.) Alan, Y., Prosecutor, A., Çakmak, B., Kurt, H. (2016). Determination of Antimicrobial and Antioxidant Activities of the Components of *Satureja hortensis*. *Yüzüncü Yıl University Journal of the Institute of Science.*, 21 (2) 167-177, Research Article. Van.

3. BAP Projects:

3.1.) Bozarı, S., Çetin, A., Kurt, H., Çakmak, B. (2018). Extraction of Natural Components and Biological Activities of Some Plant Species of Asteraceae and Lamiaceae Families. This work was supported by Muş Alparslan University Scientific Research Project with Project Code MŞÜ15-EMF-G03

3.2.) Çetin, A., Bozarı, S., (2017). Kurt, H. Synthesis and Investigation of Biological Activities of Yeni Substitue 1H-pyrazole and 4,5-dihydropyrazol-1-yl-) thiazol-4 (5H) -one derivatives. This study was supported by Muş Alparslan University Scientific Research Projects Support Department as project no 2015-MŞÜ14-EMF-G04.

3.3.) Çetin, A., Kurt, H. (2015). Synthesis and Characterization of Pyrazole-3-Carboxylic Acid Derivatives. This study was supported by Muş Alparslan University Scientific Research Projects Support Department as project no. 2015-MŞ1414-EMF-G05.

4. Documents Received:

4.1.) Van İpekyolu Public Education Center A-1 Level English Course. 12/20/2019. Van.

4.2.) Van Center Public Education Center and Evening Art School Computer Management (Operator) .09.10.2009 / Van

4.3.) Muş Alparslan University Pedagogical Formation Training Certificate. 01.06.2016 / Mus

4.4.) Basic Medicine First Aid Training. 01.03.2018 / St.Clements University

5. Muş Alparslan University Activities:

5.1.) ‘Science Festival and Exhibition organized by DAP Regional Development Administration. 10-11 October 2017 / Muş.

5.2.) Mental [talks] Active Youth Community with University. 13 March 2018 / Muş.

5.3.) Agilent Technology Brand GCMS / HPLC / Real Time device hardware and software. 22-23 February 2018 / Muş.

6. TSC Management Systems Academy Training Courses:

6.1.) Good Laboratory Practices

6.2.) Good Hygiene Practices

6.3.) Cosmetic Good Manufacturing Practices

6.4.) Good Manufacturing Practices
